

Sustainability Planning for Small Businesses

Verdis Group is Omaha's 2015 Small Business of the Year!
To celebrate, we're offering other small businesses a special deal.

2015 Award Winner

Small Business of the Year:
Verdis Group

Want your small business to thrive? Let our experts help with some sustainability planning. Through this limited time offer, we will:

- Facilitate a kickoff meeting with project leads.
- Collect and analyze 12 months of data and other information.
- Conduct our propriety Sustainability Engagement Index survey of your employees.
- Develop baseline performance metrics and measurable goals related to energy, water, waste/recycling, emissions, and employee sustainability engagement.
- Conduct two interviews with key personnel.
- Facilitate a two-hour workshop with select employees; includes pre-workshop reading assignment.
- Deliver key findings, goals, and sustainability recommendations; includes presentation.

By participating, your small business demonstrates a commitment to sustainability: wise business practices that are socially, environmentally, and fiscally responsible.

Cost: \$3,000-\$5,000, varies based on size and scope. (Market rates are \$8,000-\$10,000 for these services.)

Timing: May-September 2015, but flexible.
